Criminal Justice Seminars

“To sum up: We’re dealing with a class of criminal so vile and so fast on its feet that we can't keep up with its depravities. But we can try, and that’s the reason we're splitting into smaller groups after lunch.”

Door flings open at the rear and a red-faced man with a clipboard bustles in. “You've gone a little overtime, and ‘Murder and Demographics’ needs the room! My readout is so lousy! Do you mind telling me what you just discussed?”

“Congress.”
